PARAMETERS AND GUIDELINES
Chapter 1, Statutes of 1984, 2nd E.S. .
Chapter 1118, Statutes of 1987
Health Fee Elimination

I. SUMMARY OF MANDATE

Chapter 1, Statutes of 1984, 2nd E.S. repealed Education Code Section 72246 which had authorized community college districts to charge a health fee for the purpose of providing health supervision and services, direct and indirect medical and hospitalization services, and operation of student health centers. This statute also required that health services for which a community college district charged a fee during the 1983-84 fiscal year had to be maintained at that level in the 1984-85 fiscal year and every year thereafter. The provisions of this statute would automatically repeal on December 31, 1987, which would reinstate the **community** colleges districts' authority to charge a health fee as specified.

Chapter 1118, Statutes of 1987, amended Education Code section 72246 to require any community college district that provided health services in 1986-87 to maintain health services at the level provided during the 1986-87 fiscal year in 1987-88 and each fiscal year thereafter.

II. COMMISSION ON STATE MANDATES DECISION

At its hearing on November 20, 1986, the Commission on State Mandates determined that Chapter 1, Statutes of 1984, 2nd E.S. imposed a "new program" upon community college districts by requiring any community college district which provided health services for which it was authorized to charge a fee pursuant to former Section 72246 in the 1983-84 fiscal year to maintain health services at the level provided during the 1983-84 fiscal year in the 1984-85 fiscal year and each fiscal year thereafter. This maintenance of effort requirement applies to all community college districts which levied a health services fee in the 1983-84 fiscal year, regardless of the extent to which the health services fees collected offset the actual costs of providing health services at the 1983-84 fiscal. year level.

At its hearing of April 27, 1989, the Commission determined that Chapter 1118, Statutes of 1987, amended this maintenance of effort requirement to apply to all community college districts which provided health services in fiscal year 1986-87 and required them to maintain that level in fiscal year 1987-88 and each fiscal year thereafter.

III. ELIGIBLE CLAIMANTS

Community college districts which provided health services in 1986-87 fiscal year and continue to provide the same services as a result of this mandate are eligible to claim reimbursement of those costs.

IV. PERIOD OF REIMBURSEMENT

Chapter 1, Statutes of 1984, 2nd E.S., became effective July 1, 1984. Section 17557 of the Government Code states that a test claim must be submitted on or before November 30th following a given fiscal year to establish for that fiscal year. The test claim for this mandate was filed on November 27, 1985; therefore, costs incurred on or after July 1, 1984, are reimbursable. Chapter 1118, Statutes of 1987, became effective January 1, 1988. Title 2, California Code of Regulations, section 1185.3(a) states that a parameters and guidelines amendment filed before the deadline for initial claims as specified in the Claiming Instructions shall apply to all years eligible for reimbursement as defined in the original parameters and guidelines; therefore, costs incurred on or after January 1, 1988, for Chapter 1118, Statutes of 1987, are reimbursable.

Actual costs for one fiscal year should be included in each claim. Estimated costs for the subsequent year may be included on the same claim if applicable. Pursuant to Section 17561(d)(3) of the Government Code, all claims for reimbursement of costs shall be submitted within 120 days of notification by the State Controller of the enactment of the claims bill.

If the total costs for a given fiscal year do not exceed \$200, no reimbursement shall be allowed, except as otherwise allowed by Government Code Section 17564.
